

EF234405 Design and Analysis of Algorithms

Final Exam

Academic Integrity Pledge

By the name of Allah (God) Almighty, I hereby pledge and declare that I have completed this Final Exam project as part of my team's independent work. I have not engaged in cheating, plagiarism, or received unauthorized assistance in any form. I further declare that any use of AI tools was limited to a supportive role (such as for grammar checking or debugging) and that the final solution is the product of my team's own intellectual effort. I understand that I will accept all consequences if I am found to have violated this academic integrity pledge.
